

IMPORTANT INFORMATION FOR STAND UP VIRGINIA'S RECALL OF STEVE DESCANO

HERE ARE 2 OF THE MOST IMPORTANT DETAILS FOR GATHERING PETITIONS:

1. The Petition is a two-sided document (front and back) that **MUST** be printed on **ONE** piece of 8 1/2" by 11" paper. **If the front and back are printed on two separate pieces of paper, the petition will NOT be accepted by the Court.**
2. If you are collecting signatures, you are the Circulator. Each completed form must be NOTARIZED by a Notary before returning it to Stand Up Virginia. **You may NOT SIGN the petition you are getting notarized. There will be a notary at some of our upcoming petition-signing events, and we will let you know when/where.**

Other FACTS you need to know:

1. Only individuals **REGISTERED VOTERS and Residents** of Fairfax County or Fairfax City can sign the petition.
2. All **signatures must be originals**, and emailed copies of petitions are not acceptable.
3. Please be a **FORCE MULTIPLIER** and commit to getting at least one full petition sheet of 12 signatures. Every signature helps us Recall Descano.
4. Return the completed and notarized petitions at one of our weekend signing locations or mail to: **Stand Up Virginia**, 3057 Nutley Street, Suite 254, Fairfax, VA 22031.
5. **Please do NOT write anything extra on the petition.** Only petition signers should complete their personal information where numbered and designated.
